

Partner of Losberger for tent lightings

FLUX is a steady Losberger-partner for tent and hall lightings for many years.

What would a fair hall be without adequate lighting? What would your exhibition event be without an individual power supply? As Losberger-partner we offer you from the lighting to the power supply/ cabling and emergency lighting to the installation/ disassembly of the lighting systems all from one source according to the high Losberger- quality

standards. Save additional time and effort for looking for the individual lighting specialist. Make use of the possibility to have a complete offer submitted including power supply and lighting.

FLUX tent – Planning, Calculating, Installing...

- Basic lighting - Emergency lighting - Electro-infrastructure

SERVICE – Teamplay FLUX and Losberger

FLUX works closely with Losberger for many years. A well-functioning team complements each other regarding technical and logistical coordination and with regards to deadlines. Use our know-how of qualified employees which are used to work self-reliant.
